Whom It May Concern,

SUB :- Recommendation Letter.

We find great pride in associating with AL - TAHER for our various projects undertaken in Nigeria. AL - TAHER has been supplying the most efficient and skilled manpower for our projects with Shell Nigeria.

The quality & productivity of the Labour supplied has always been the best in the Industry which has led to the successful & timely completion of the projects time and again. The personnel supplied have always been hardworking proactive & never hesitate from working extra hours if needed which is a quality that makes the projects stand out exceptionally.

We recommend AL - TAHER for all recruitment needs right from recruitment to mobilization & payroll services for Indian Expats.

Regards,

Jean Pierre Loffel.
