

To Whom It May Concern,

Sub:- Recommendation Letter.

This letter is to express our complete satisfaction with the services of Recruitment and Mobilisation of Indian Manpower provided by Al Taher. They kept all our requirements in mind and provided us with the best manpower from all over India. They conducted proper Tests and Interview rounds for all the candidates and shortlisted the best candidates.

We at PETROMAR really appreciate the hard work that Al Taher put into the Angola project and worked as an incredible team and completed the recruitment process within the stipulated time and the given budget.

For any further questions please contact me on the numbers given below.

Yours faithfully,
